The number of pupils that may be expected is not stated.
There can be no doubt as to the need for an Entrance class in Science in the Shaving Collegiate High School but the existing accommodation in the school is very insufficient. In fact I may say that the accommodation is not much greater than what it was when I was a pupil in this institution. If the old workshop is taken over for the school some makeshift arrangements may be made. The proposal to open the Entrance class may be sanctioned. Under the circumstances the class has to be reorganized & the University & the Council may also be consulted. Full details will be submitted after investigation

From

C. R. REDDY, ESQ., M.A.,
Offg. Inspector-General of Education in Mysore.

To

P.G. D'Souza, Esq., B.A.,B.L.,
Secretary to the Govt. of H. H. the Maharaja of Mysore,
Departments of Education & Agriculture,
Bangalore.

SIR,

I have the honor to bring to the kind notice of Government that at present great inconvenience is caused for students to get seats in the Science Section of the University Entrance classes of the Collegiate High schools at Bangalore, Mysore and Tumkur. During the current year the demand for seats was so great that inspite of the opening of an additional Science Section in the Tumkur High school, many students particularly of the malnad had to migrate from place to place and were obliged to choose subjects not suited to their taste and capacity, much against their will. The existing facilities being far from sufficient the Malnad Improvement Committee urged the immediate necessity of opening a separate Science section in connection with the Collegiate High school, Shimoga, for the convenience of the Malnad students. I am in full sympathy with their demand and I have accordingly included this item in the recommendation submitted to Government with this office letter No.G1c.1685 of 8th January 1919. I may further add that the Collegiate High School at Shimoga is growing in importance and popularity and had the distinction of being a second grade college prior to 1905 in view of the special Educational needs of the Malnad Area.

Subject.

Under the circumstances, I request that Government may be pleased to sanction the opening of a Science Section in respect of the Shimoga Collegiate High School from 1st July 1919 with the additional charges Rs.7,330/- per annum recurring and 30,000 non-recurring as per details given in the enclosed statement. I may here add that the additional charges are similar to those sanctioned for the Tumkur High School in Government Orders Nos. 11658-60/Edn.226-17-9 of 30th May 1918 and 31724/1104 of 28th June 1918 except in respect of the gas plant specially ordered to be set up in the latter Institution.

As the opening of the classes will have to be notified in time for the convenience of parents and students and as some time is required to equip the classes and to make the necessary appointments, I request that Government may be pleased to pass early orders on the subject and accord permission to include the sum in the budget of the coming year 1919-20.

I have the honour to be,

Sir,

Your most obedient servant,

for Inspector General.

Shimoga Taluk.

No. 6.

Science Section in Shimoga Collegiate High School.

Messrs. A. Ananthiah, Nagar Sabha and C. Subba Rao, Shimoga District Board.

Summary of Representation.

Students that pass the School Final Examination from High Schools in the Nagar Division with Science as their optional subject, find it difficult to secure seats in places where Science is taught in Collegiate High Schools. The cost of living in such places is also very prohibitive. It is earnestly prayed in the interest of Malnad students that a Science Section may be opened at Shimoga also.

Existing order or practice relating to the subject—

Remarks by the Deputy Commissioner—

The Inspector General has submitted his proposals for the opening of a Science section. ~~Under~~ The Dewan has directed that the University Council be consulted in the matter. A copy of the I.G's letter has been sent to the Registrar University for remarks with this office No 7679 dt 15th Feb 1919. (Vide linked file) Orders in the linked file may be awaited.

Sir,

With reference to your letter No.7679/Edn.5-18-14 dated 15th February 1919 and the reminder thereto regarding the opening of a Science Section of the Entrance Class in the Collegiate High School, Shimoga, I am directed to forward herewith for the information of Government a copy of letter No.644 dated the 8th instant from the Principal, Central College containing his opinion on the matter.

In this connection, I am to state that the general question of control over the Collegiate classes will be considered by the University Council at the next meeting and a definite reply submitted. I am to add that as at present advised the Vice-Chancellor is not in favour of abandoning the control now exercised by the University in the matter of recognition and general control over these Entrance classes.

I have the honour to be,
Sir,
Your most obedient servant,

msr.

S.A. REGISTRAR.

Letter No.644 dated 8th April 1919 from the Principal, Central College, Bangalore, to the Registrar, Mysore University, Mysore.

****

In reply to your letter No.9048 dated 5th April 1919, I have the honour to state that I am without first hand information as to the equipment, etc. existing at the Shimoga School.

I wish to urge very strongly upon the University the undesirability of according recognition for purposes of the Entrance Class to any school before that school is sufficiently and properly equipped.

The Tumkur School was accorded recognition in anticipation of the rapid fulfilment of the Education Department's undertaking to supply it with proper equipment. That undertaking is still unfulfilled and the state of affairs in the Tumkur School could hardly be more unsatisfactory.

With the experience of the Tumkur School before me, I am strongly of opinion that on no account should recognition be extended to the Shimoga School until it is thoroughly well staffed and equipped.
